

# Viswanathan G

ART DIRECTOR · UI/UX DESIGNER · CREATIVE TECHNOLOGIST · AI DESIGN

piaravinoth@gmail.com · LinkedIn · Portfolio · India · Global / Remote

## PROFILE

### Designer first, systems thinker by practice.

10+ years across visual design and communication, combining hands-on craft with creative leadership across art direction, campaign systems, UI/UX and creative technology. I set direction, review quality and take work through to production-ready execution.

|                                                   |                                              |                                           |
